Building land

In Morciano di Leuca, Salento Agency offers for sale a 7,387 sq m building plot with a partial sea view just 1.7 km from the coast.

Taking advantage of the volume of the land, it is possible to build a 74 sq m house if you decide to build with a typical flat vault, ideal for a house with a modern touch. While, if you prefer a traditional touch, the charming star vaults will allow you to design a spacious 100 sq. m. home.

Both projects offer ample space for outdoor pergolas and a 40 sqm swimming pool, perfect for moments of leisure and entertainment.

This land is much more than just a building opportunity. It is a natural paradise with olive trees, almond trees, fig trees and typical Mediterranean plants. It will be like living immersed in the beauty of nature, with the comfort of a custom home. Do not miss the opportunity to turn this property into a haven of luxury and tranquility.

Salento Agency can also take care of the design and construction phase thanks to its collaboration with the best technical studies and construction companies.
